

Dear Parents of Rising First Graders,

Attached is the written Summer Reading assignment for first grade. Please have your child pick one of the books that they read this summer. Have them complete the Story Structure Chart #11 and #12 to be turned in by Friday, August 12th. The assignment will count as a homework grade. Please have your child do their best by themselves to complete the pages.

Also, please have your child read daily over the summer. Even 15 to 20 minutes a day makes a difference. Reading books on topics in which they are interested helps develop a love for reading.

Enjoy your summer!

-The First Grade Teachers
