

Become a Volunteer at St. Joseph Catholic School

Thank you for your interest in sharing your time and talent with St. Joseph Catholic School. Because of the many gifts and talents our volunteers bring to our programs and activities, we value your participation.

Individuals who desire to serve the Archdiocese of Atlanta and its entities (parishes, schools, agencies, etc.) as a volunteer must complete a Volunteer Application. Because we take the protection of our children very seriously, volunteers who have regular contact with children or vulnerable individuals must complete the training program as required by the Safe Environment Program of the Archdiocese.

Minor Volunteers:

Please complete a Minor Volunteer Application, and a School Reference Form, which can be found in the Front Office.

Adult Volunteers:

- **Step 1:** You must first complete the Archdiocesan VIRTUS training. To register please go to: <http://www.archatl.com/ministries-services/safe-environment/virtus-protecting-gods-children/>. Once your VIRTUS training is completed, **submit this completed form to the front office.**
- **Step 2:** You will then receive an email invitation from Sterling to complete the background check online. **The email and link you receive will only be active for 7 days. After you have completed the online information, you must email Mrs. Viteri at mviteri@stjosephschool.org, so that we can be aware to look for your results.**

Once the above is completed, processing of your application can take up to 3 weeks, or longer in high volume months; please plan accordingly. Anyone without completed and approved volunteer paperwork will NOT be allowed to volunteer at St. Joseph Catholic School.
